Central Unit

Home Center 2 FGHC2

Item code: FGHC2
EAN: 5902020528012
Description: Central managing unit for Fibaro System

Retail Price: **599 €**
                    509,99 £

Home Center Lite FGHCL

Item code: FGHCL
EAN: 5902020528234
Description: Central managing unit for Fibaro System

Retail Price: **279 €**
                239 £
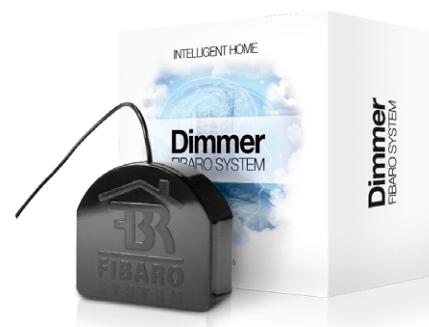

Modules

Dimmer 500W FGD-211

Item code: FGD-211
EAN: 5902020528029
Description: works with any type of dimmable light sources

Retail Price: **59,99 €**
                49,00 £

Roller Shutter FGR-221

Item code: FGR-221
EAN: 5902020528036
Description: smoothly steer any electric roller blind, with current position confirmation.

Retail Price: **59,99 €**
                49,00 £

Roller Shutter 2 FGRM-222

Item code: FGRM-222
EAN: 5902020528227
Description: Controls electric motors of roller blinds, venetian blinds, garage doors and such. Features an ultra precise positioning, and power metering functions.

Retail Price: **59,99 €**
                49,00 £

Relay Switch 1x3kW FGS-211

Item code: FGS-211
EAN: 5902020528050
Description: Single circuit On/Off switch, designed for use in sockets. Max load - 3kW.

Retail Price: **59,99 €**
                49,00 £

Relay Switch 2x1,5kW FGS-221

Item code: FGS-221
EAN: 5902020528043
Description: Dual circuit On/Off switch, designed for use in sockets. Max load 1,5kW per single circuit.

Retail Price: **59,99 €**
                49,00 £

RGBW Controller FGRGBWM-441

Item code: FGRGBWM-441
EAN: 5902020528159
Description: LED light controller, compatible with RGB / RGBW LEDs and 12V-24V light sources. Supports up to 4 analogue sensors 0-10V. May be used as a dimmer with Halogen lamps.

Retail Price: **59,99 €**
                49,00 £

Fibaro Wall Plug FGWPE-101, FGWPF-101 (Schuko)

Item code: FGWPE-101   EAN: 5902020528128
Item code: FGWPF-101   EAN: 5902020528135
Description: wall plug with power consumption measuring
function and unique, colour-changing, crystal LED ring.
Max load 2 500 W.

Retail Price: **64,99 €**
                 55,29 £

Bypass FGB-001

Item code: FGB-001
EAN: 5902020528067
Description: Bypass for Fibaro Dimmer, designed for use
with low energy consumption dimmable lights.

Retail Price: **11,99 €**
                 10,19 £

Sensors

Flood Sensor FGFS-101

Product code: FGFS-101
EAN: 5902020528142
Description: Flood Sensor with built in temperature sensor.
Enhanced home safety and comfort owing to unique,
sink-resistant design and wireless software update. Additional
fire protection thanks to built in temperature sensor.

Retail Price: **59,99 €**
                 51,69 £

Smoke Sensor FGSS-001

Item code: FGSS-001
EAN: 5902020528241
Description: Smoke Sensor with built in temperature sensor. Enhanced home safety thanks to built in temperature sensor, allowing for detecting fire through rapid temperature change.

Retail Price: **64,99 €**
                 55,29 £

Motion Sensor MSFS-001

Product code: FGMS-001
EAN: 5902020528258
Description: Motion Sensor with built-in temperature sensor, featuring one of a kind earthquake detection functionality.

Retail Price: **57,99 €**
                 49,00 £

Universal Binary Sensor

Item code: FGBS-001
EAN: 5902020528074
Description: The Universal Binary Sensor is a wireless module that makes it possible to improve the functionality of any sensor with a binary output by allowing it to communicate with the wireless Z-Wave network and the FIBARO system.

Retail Price: **39,99 €**
                 33,99 £

Door / Window Sensor FGK-101

Item code: FGK-101
EAN: 5902020528111
Description: The Fibaro Door / Window Sensor is a battery powered, Z-Wave compatible reed sensor. The Fibaro Door / Window Sensor detects status (open / closed) of doors, windows, garage gates etc. It combines the functionality of 3 devices (reed, binary, temperature sensor) in one easy to use product.

Retail Price: **49,99 €**
                42,49 £

Door / Window Sensor FGK-102

Item code: FGK-102
EAN: 5902020528166
Description: The Fibaro Door / Window Sensor is a battery powered, Z-Wave compatible reed sensor. The Fibaro Door / Window Sensor detects status (open / closed) of doors, windows, garage gates etc. It combines the functionality of 3 devices (reed, binary, temperature sensor) in one easy to use product.

Retail Price: **49,99 €**
                42,49 £

Door / Window Sensor FGK-103

Item code: FGK-103
EAN: 5902020528173
Description: The Fibaro Door / Window Sensor is a battery powered, Z-Wave compatible reed sensor. The Fibaro Door / Window Sensor detects status (open / closed) of doors, windows, garage gates etc. It combines the functionality of 3 devices (reed, binary, temperature sensor) in one easy to use product.

Retail Price: **49,99 €**
                42,49 £

Door / Window Sensor FGK-104

Item code: FGK-104
EAN: 5902020528180
Description: The Fibaro Door / Window Sensor is a battery powered, Z-Wave compatible reed sensor. The Fibaro Door / Window Sensor detects status (open / closed) of doors, windows, garage gates etc. It combines the functionality of 3 devices (reed, binary, temperature sensor) in one easy to use product.

Retail Price: **49,99 €**
                 42,49 £

Door / Window Sensor FGK-105

Item code: FGK-105
EAN: 5902020528197
Description: The Fibaro Door / Window Sensor is a battery powered, Z-Wave compatible reed sensor. The Fibaro Door / Window Sensor detects status (open / closed) of doors, windows, garage gates etc. It combines the functionality of 3 devices (reed, binary, temperature sensor) in one easy to use product.

Retail Price: **49,99 €**
                 42,49 £

Door / Window Sensor FGK-106

Item code: FGK-106
EAN: 5902020528203
Description: The Fibaro Door / Window Sensor is a battery powered, Z-Wave compatible reed sensor. The Fibaro Door / Window Sensor detects status (open / closed) of doors, windows, garage gates etc. It combines the functionality of 3 devices (reed, binary, temperature sensor) in one easy to use product.

Retail Price: **49,99 €**
                 42,49 £

FIBARO
Home intelligence

Door / Window Sensor FGK-107

Item code: FGK-107
EAN: 5902020528210
Description: The Fibaro Door / Window Sensor is a battery powered, Z-Wave compatible reed sensor. The Fibaro Door / Window Sensor detects status (open / closed) of doors, windows, garage gates etc. It combines the functionality of 3 devices (reed, binary, temperature sensor) in one easy to use product.
